Lisa,

Well, hell! What can I say! We've really had some great times. All those trips to Gattinburg, (Fred!) + (Peter!). Remember those creeps -- Charlie + Greg! They make me sick. You've been the best friend I've ever had or ever will have. I'm sure. Your friendship really means a lot to me. I wish Mom had not have gotten so mad over nothing. I miss those nights at your house + you at mine. Those were really good times. I've enjoyed those good ole drunk times we've had (+ high). You are 'really a wild + crazy guy'. I had so much fun at your spend-the-night parties, (Macho contests) sayonces (grape wine or koolaid). Well enough of remembering ole times. I'm sure we'll have many more in the future. I hope to God I marry Lee Abney. (Just shucking and jiving with y mind.) I really like him a lot, more than any other guy I've met! Really. I'm serious, I'm not bull-shitting with you. He really means a lot to me! Rodney!!! What a good subject! I know you like him a lot. You'll straighten him out + kill seeing what a charm he's got!!!! Well stay sober - don't get to high!

Love ya, Always,

Lisa,

You are a crazy gal into I have known for several years. Hope we can be friends for a long time to come. Hope to see you this summer. Stay Sweet!

On me in my deep need
Is now to you no doubt
A long forgotten deed.

But I remember it
With gentle words you spoke
For through these years they've soothed
A heart that sorrow broke
I can't express your love
But in my heart you'll find

Fall

Flaming red explosions of maple
dot the way home.

Soft burnt-orange leaves carpet
unseen sidewalks.

The air is a bit nipper than
two weeks ago,

And brand-new sweaters walk their
way to school.

Fall falls each year about this
time,

Dull of Friday night football
and hoarse Saturday
mornings,

Leaf-raking afternoons and bonfire
evenings.

The short-sleeve summertime cool
fades into a woolen wintertime warm.

Funny, that special good-all-over
feeling

We feel each fall. It never seems
to fail.

Time and memories seem to be on
our side.

And life is loving, warm and full.

Winter

Winter is the time that brings:
A joyful time as carolers sing,
Bright packages under the tree,
And gifts for everyone to see.
Plans being made for the holidays,
And prayers for snow or just a glaze.
Logs piled high in the fireplace,
And snowflakes with their look of lace.
The day that dawns a perfect quiet,
Snow has fallen during the night.
No school today — so instead,
We make snowballs and ride sleds.
And as the snow begins to fade,
We think again of friends and days,
That pass like winter into spring
And all the joys their memories bring.

Lisa!

Tradition Continues at Erwin

Once again Erwin High School presented a highly successful musical. Under the direction of Carmen Love, "Annie Get Your Gun" became a panorama of sight and sound.

Choreography for this Rodgers and Hammerstein hit was supervised by Carla Davis who also assisted Marcia Wright in the vocal coaching. The orchestra made up of members of the Stage Band was under the direction of Ronnie Widner.

The colorful scenery was supervised by Melanie Cook and the realistic stage props directed by Cathy Carter.

Jenny Cook in the title role filled the stage with enthusiasm and excitement as did the other stars who were Scott Pruett, Steve Sutherland, Bryan McCullar, Debbie Shadix, Bart Moore, and Chip Ray.

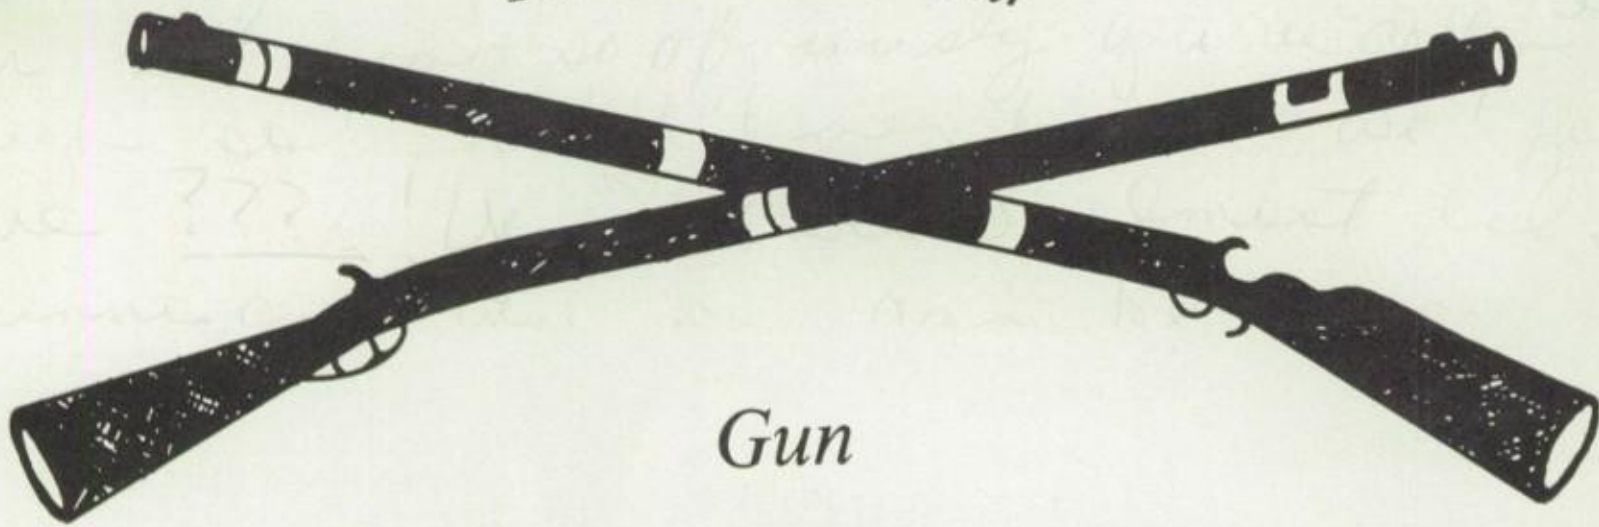

The two act play centered around the life and times of Annie Oakley. With the hardworking efforts of the parents, teachers, and students, Erwin's third musical became an instant success.

Mr. Bobby Johns

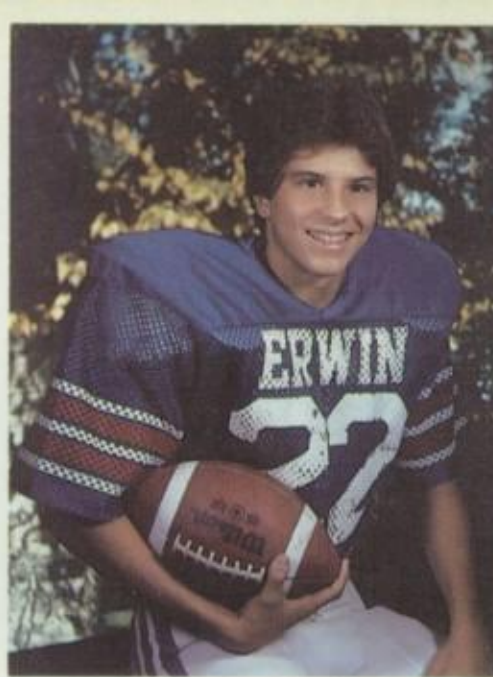

*I still remember
how much I always
will I know I will*

The dedication of the 1979 Aquila was made an easy decision by the many outstanding qualities of our choice. One who has been very instrumental in the improvement of our school, he has rejuvenated the students' spirit by instilling pride and improving the overall sports program. We cannot begin to show enough appreciation for the endless hours this man has devoted to our school. On this note the 1978-79 Annual staff proudly dedicates the Aquila to the father of Jody and husband of Debbie, Coach Bobby Johns.

Hard Work and Participation Create a Fantastic Homecoming "78"

Spirit peaked in "HOMECOMING 78" as Erwin went on to a tremendous victory over the Hewitt Huskies. Being faced with the passing or failing of six-weeks exams did not stop the students of E.H.S. from spending endless hours each night at float building parties, sign-painting parties, and wherever else they could go, so as to have an excuse for bad grades on the following Wednesday. All classes were busily at work preparing for judging and class competition on Friday. On pep-rally day the students were all decked out in hats, masks, whistles, horns, and customary Friday, blue-jean attire. E.H.S. will never forget the command performance of "King Quote and Company", the outstanding performances of the band and all its separate components nor will it forget the spirit which reigned on that day. One can rightfully claim that nowhere is spirit greater than it was at E.H.S. on that day or any other day.

Converse sneakers and spray perfume tucked away in a gym bag. Pigtailed in the wind. Yes, the kid with the basketball is a girl. She wants to win. She runs hard, tries hard because she has a job to do. She's part of the team.

She doesn't have to stay after school and run and run, but she wants to. She doesn't have to fight so hard, after all girls are supposed to sit and let a "man" do the job. But still she plays. She's used to the ribbing she gets from the guys. It's expected.

But why does she play? Because after the game there's that good feeling of being a part of something. Jumping up and down, hugging people, or maybe having a good cry. Yes, the kid with the basketball is a girl.

AND WHAT DO WE REMEMBER?

We look back and remember the happy times, feeling the reward of hard work and dedication. At other times we felt all alone, isolated in the midst of a crowd. Our school life was one of constant new beginnings and ceaseless endings that can never be forgotten. Our lives have been molded by the vast and diverse character of who we were and who we have become.

LIFE AT E.H.S.

In the spring of 1978, Erwin High School students had many activities to keep their minds off of upcoming summer fun. Students were entertained by a great musical "Annie Get Your Gun". There were spring concerts by the band as well as the choral department. The year was topped off with the Fantastic Follies and the Prom, which was a great success due to the hard work of the Junior Class. Long anticipated, Graduation '78, finally arrived, and the Seniors of '79 emerged.

The work didn't stop when summer arrived. There were plenty of summer jobs to be had. Cheerleaders, Erwinettes Majorettes, Flag Girls and the Football team attended summer camp.

In August, football practice began as well as band practice under a new director. Nevertheless, it was a great summer full of swimming parties, dates and fun filled nights at the Super Cellar. All too soon, it was time to return to the halls of E.H.S.

The class of '79 returned determined to leave their mark in their final year. The pep rallies overflowed with spirit and enthusiasm. Dr. Quote always knew just what to say and he always had a new way to say it. Football games added excitement to Friday nights. The season started slow, but the team came back to give Erwin one of the best seasons ever!

And who can forget Homecoming!? Everyone put forth a lot of effort on that memorable Friday in October. There was the PEP RALLY in the morning, the PARADE in the afternoon, and that night Laurie Dukes was crowned Homecoming Queen as the Eagles defeated Hewitt 25-7.

Seniors '79 will never forget the Friday night parties. Center Point may recall the Legendary masquerade party and the parade to Bass Cemetery. Faces masked and bodies clothed in resemblances of the Three Musketeers, the Kitt Cat Club, the Hicks, the Romans, scarecrows, doctors, nurses, ragdolls, vampires, and the well portrayed football player and Erwinette. The senior class hopes the Harrisons realize the deep appreciation felt for endless hours of entertainment and tolerance.

The Mr. and Miss Erwin contest followed close behind football with Jerry Vermillion and Vicki Stewart receiving the highly sought award.

The Friday before Christmas ushered in Erwin High School's first Toga party. The Seniors of '79 were entertained at this party by Erwin's own DJ, Dr. K. Plenty of food and fun was shared by everyone as Santa and his reindeer with two new helpers made their second annual visit. No one will ever forget the mistletoe and kissin' at the Erwin Toga Party.

A new year ushered in more work, plans for another prom, practice for another play, more band and choral practice as well as practice for the annual Spring Football Jamboree. A new year is here and Life at E.H.S. goes on . . .

EAGLE GIRLS

Make up a club that is devoted to service to the school and the community. These girls donate time to school to take tickets at basketball and wrestling events and operate the concession stand during these events. Each year this club selects a community project to sponsor. This year a basket of food was taken to a needy family at Thanksgiving. These girls also have fun by building a homecoming float, painting windows, having a Christmas party, and a hayride in the spring.

OFFICERS: Michele Liepert — V. Pres., Lisa Huffstutler — Asst. Sec., Jill Peoples — Sec., Denise Myers — Sgt. at Arms, Sherry Helms, Chaplain, Betsy Floyd — Treas., Cathy Early — Sgt. at Arms, Mary Gaines — Sponsor, Tracy Davis — President.

Erwin High School is an integral part of the Jefferson County Board of Education, the largest suburban system in Alabama. The School Board consists of five citizens, elected by popular vote, to serve staggered, six-year terms as the decision and policy-making body.

The Board operates under the committee system to approve educational programs, new construction projects, and employs the necessary personnel to effectively operate the school system. Mr. Randall I. Godwin is chairman of the administration committee and Mrs. Betsy Faucette is co-chairman. Dr. Jack M. Dabbs serves as chairman of the support operations committee and Mrs. Robert W. Gwin is co-chairman. The president of the School Board, Mr. Jack E. Brymer, Sr., serves as ex-officio member of each.

Dr. J. Revis Hall serves the Board as superintendent and secretary and is responsible for carrying out the Board's decisions.

The Erwin Resources Center believes the schools and their services along with other public and private agencies serving the community are ideally suited to provide a nucleus

of community involvement, improvement, and services and the center encompassing the community school concept is the ideal catalyst to effectuate this philosophy.

Lisa
 we all know that you
 are a wild woman. One
 of those people who hear about
 they could stand a few well-aimed
 punches. Huh!

J. C.
 1/1/11

Lost and alone on some forgotten highway
 Traveled by many remembered by few
 Lookin' for something that I can believe in
 Lookin' for something that I'd like to do with my life.
 There's nothing behind me and nothing that ties me
 To something that might have been here yesterday.
 Tomorrow is open and right now it seems to be more
 Than enough to just be here today.
 And I don't know what the future is holdin' in store
 I don't know where I'm goin' or not sure where I've been.
 There's a spirit that guides me through what shines for me
 My life is worth the wait. I don't need to see the end.

Lisa,
 I've been fun and down on
 this year. I hope you have fun over
 the summer don't do anything I wouldn't do.
 Good luck. "81"
 Charlie

Little Nel,
 Here I sit, under this tree,
 Feeling like everyone has abandoned me
 I grab my bottle, and say "What the hell!"
 and all of a sudden I hear Little Nel.
 I turn around quickly, and see her smile
 and bid her to stay for a little while.
 She eases my burden and takes away my pain,
 If it weren't for her, I'd go insane.
 So thank you Lisa for easing my grief,
 So many times you have provided relief.

Love always,
 Frank

Love ya
